Students in grade 11 are **required to be enrolled** in English, U.S. history, math, and a science course. **Any required courses not made up in summer school may also be scheduled.** All students must select six courses from the following lists. Indicate selections by placing an X in the space to the left of each course. Repeating a course in which credit has already been granted will **not** result in additional credit. The course with the higher mark will be given the credit and be calculated into the overall GPA. The other course will receive **NO CREDIT** but remain on the transcript. Prioritize AP classes. All classes are open to both males and females. All students have equal access to classes.

Prioritize AP Courses:

+ May receive community college credit (see counselor)

* Course acceptable to C.S.U. & U.C. system

(TR) Teacher Recommendation (students who do not get TR's will be placed in the lower level course.)

▲ If taking an ROP class, you must have 4 regular classes (requiring daily attendance) in addition to the ROP class.

Alternate Electives:

Schedule Preference

Periods 1-6 (Y997)

Periods 2-7 (Y998)

Bus rider (Y999)

There is no guarantee we will be able to honor your request.

I have carefully considered my interests, abilities, and vocational goals in selecting the above courses for next year. All students must have a minimum of 5 classes. If taking an ROP class, you must have 4 regular classes in addition to the ROP class.
